

DRIVER DYNAMIC EVENTS @ SMP

The Club Racing Circuit Shannonville Motorsport Park (or SMP) will be holding a series of both auto slaloms and lapping in the evenings at the track this summer as part of their Driver Dynamics Series. The Car Crew will be running these events on behalf of SMP.

The Car Crew are all very experienced drivers that can offer High Performance Driving Instructions and Motoring Skill Exercises designed to the needs of individuals or groups wanting to improve their driving techniques in a fun atmosphere while at the same time, enjoying the response of their cars in a safe and controlled environment at the SMP track.

Events scheduled for this season are as follows:

| AUTO SLALOMS | | LAPPING | |
